

Helpful Hints for completing Baybarz & Endowment Applications

Did you remember to:

- Answer questions **1-14**.
- Attach all three pages to answer number 15 (**Please type & include name on each attachment**)
 1. **School Activities Description:** A parent can write down what the child says, if the child is very young. If the child is just starting school, have them tell what they like to do, as they do not yet have school activities.
 2. **Letter of Recommendation:** A letter of recommendation from a pastor or teacher must be ATTACHED. A few lines written in part B does NOT fulfill this requirement.
 3. **Statement of Dedication:** Tell why you want to serve the Lord, and dedicate yourself to Him, not why you like your school. This plays a big part in the decision as to who will receive a scholarship.
- Complete all student information for #16.
- Have student sign and date the application for.
- Have Principal or Pastor complete and sign part B. Your school principal should fill out part B, unless the student does not yet attend an Adventist school. Then a pastor can fill out part B.
- **College Students:** Part B of the Endowment application can be filled out by more than one person, if necessary. An academic advisor and a financial advisor may be in a position to know the answers. Please have anyone who fills out a portion sign their name.

Get all required attachments and signatures in plenty of time to reach the SCC office of Education before **April 15, 2019.**

*Please use one of the **three methods of delivery listed below or deliver your application in person to the Office of Education. We cannot take responsibility for any application that is turned into your school or church office that does not reach the Office of Education. We will not accept incomplete applications.***

Pacific Union Education Endowment Fund Policy

I

IMPELLING DIRECTIVE

"It should be made a part of gospel labor to help forward promising young men who give evidence that the love of truth and righteousness has a constraining influence upon them, leading them to dedicate themselves to the work of God, as medical missionaries, as canvassers, as evangelists. *Let a fund be established to carry this work forward.* Then let those who have received help go forth to minister to the sick and suffering. This work will surely open the way for the balm of Gilead to be applied to sin-sick souls." (Ellen G. White, *Selected Messages*, Book 2, pages 208, 209.)
