

Helpful Hints for completing Baybarz and

Endowment Applications

Did you remember to:

- Answer questions 1-14
- Attach all three pages to answer #15 - **(Please type & include name on each attachment)**
 1. A parent can write out what the child says, if the child is very young. If the child is just starting school, have them tell what they like to do, as they do not yet have school activities.
 2. A letter of recommendation from a pastor or teacher must be ATTACHED. A few lines written in part B does **NOT** fulfill this requirement.
 3. Tell why you want to serve the Lord, and dedicate yourself to Him, **NOT** why you like your school. This plays a big part in the decision as to who will receive a scholarship.
- Complete all student information for #16
- Have student sign and date the application for #17
- Have Principal or Pastor complete and sign part B. Your school principal should fill out part B, unless the student does not yet attend an Adventist school. Then a pastor can fill out part B.
- **College Students:** Part B of the Endowment application can be filled out by more than one person, if necessary. An academic advisor and a financial advisor may be in a position to know the answers. Please have anyone who fills out a portion sign their name.
- Get all required attachments and signatures in plenty of time to reach the SCC Office of Education **before April 16, 2018.**

Please use one of the three methods of delivery listed below, or deliver your application in person to the Office of Education. We cannot take responsibility for any application that is turned into your school or church office that does not reach the Office of Education. We will not accept incomplete applications.

I IMPELLING DIRECTIVE

"It should be made a part of gospel labor to help forward promising young men who give evidence that the love of truth and righteousness has a constraining influence upon them, leading them to dedicate themselves to the work of God, as medical missionaries, as canvassers, as evangelists. Let a fund be established to carry this work forward. Then let those who have received help go forth to minister to the sick and suffering. This work will surely open the way for the balm of Gilead to be applied to sin-sick souls." (Ellen G. White, *Selected Messages*, Book 2, pages 208, 209.)

II PURPOSE

In an effort to find, challenge, and prepare potential, dynamic lay or employed leaders for the Seventh-day Adventist Church, the Baybar Scholarship Trust Fund has as its purpose the giving of challenge grants to worthy students enrolled in a Seventh-day Adventist school, or college in the Pacific Union Conference who meet the following qualifications.

III QUALIFICATIONS

The following are standards to be met by the prospective student in order to qualify for a BAYBAR SCHOLARSHIP TRUST FUND grant:

- D. Will make a special commitment to spiritual excellence by the local conference's accepted norm.
- F. Does not receive tuition assistance for children of denominational employees.
- G. Agrees to self-reliance through work study as stipulated below.

 2. Secondary students, grades 9-12 who receive a scholarship grant are expected to earn a minimum of one-third of their annual educational expenses and may receive a maximum of one-third of these expenses from the Baybar Scholarship Trust Fund.
 3. Distribution of grants to college students will go to participants in a work study program and will be coordinated with the student's academic load, earnings, and other aid.
